

Flight Surgeon Refresher Course

Section 8: Aeromedical Resource Library

Aeromedical Resource Library (FSRC800)

Aeromedical Resource Library

Introduction

As the lessons in this program of instruction have demonstrated for you, there are a large number of Army references which may be useful to you. We recommend you start your own personal digital reference library. We've included in this lesson a list of useful Field Manuals and Army Regulations for your reference. You may download the latest version of these from the following URLs:

For Army Regulations:

<http://www.usapa.army.mil>

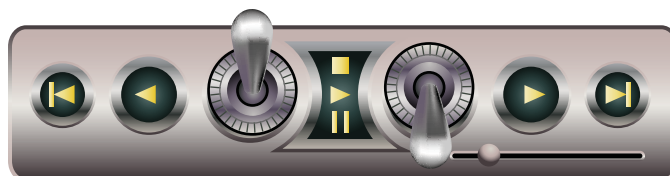

For Field Manuals:

<http://www.tradoc.army.mil>

This lesson will not be evaluated on the final exam.

Objectives

- a. Build a personal aeromedical reference library.

Field Manuals

Apply for a user name & password for the Reimer Digital Library:

<http://www.tradoc.army.mil>

Those items marked with an * will require a password; all others may be downloaded without one.
